Sidhant Pujara

Student | Developer | Tech Enthusiasts |
Pune, Maharashtra, India

Summary

Hi, my name is Sidhant Pujara and I am committed learner who has great interest in exploring the realm of technology and computer programming. In my 10th grade, I studied at DAV School, Pune. In secondary school SNBP Rahatni served as a place where I received education for my twelfth grade.

Presently, I am studying Computer Science at MIT-WPU which is making it easy for me to learn a lot more.
